In international air services we apply Volumetric weight everytime this is superior to the real weight of the parcel (volumetric weight calculation: Length cm x Width cm x Height cm/6000) and it must be calculated for each volume and not by its total weight. Shipments must always have a proforma invoice and whenever this is superior to €75,00 or the parcel weights over 15 Kg, there will be a customs dispatch. Air customs dispatch are €32,48.
